This 4 bedroom, 3 bathroom home is spacious with over 2,100 square feet, sitting on an 11,000+ square foot lot. This is the perfect family home with a large open floor plan, quiet family friendly neighborhood, and close to great schools. Upgrades include recessed lighting, fresh paint, new flooring, open beam ceilings in the family room and dining room, ceiling fans throughout the house and dual pane windows. These windows make the home light and bright anytime the sun is shining. The bathrooms have also been recently updated. The master bathroom has a large Jacuzzi tub which is perfect for relaxation. A large wood fireplace is in the family room and is a great space to entertain. The garage has been converted to a large master bedroom.

Featuring beautiful french doors and an amazing walk in closet. Outside you have a great view of the mountains, as well as an above ground pool
